Antik Media Apps

Versatile Video Delivery to iOS, Android and Windows 8

Watch TV on mobile or tablet. Give your customers access to their TV channels anywhere. Customers only need to install this Antik Media application and they will be able to choose Live TV streams or Radios based on HLS or they can select favorite program from TV Archive. Application is supporting H.264 format and is fully compatible with Antik Media Streamer, where you can manage your own local or global content delivery. All is secured with Key Rider DRM scrambling solution which is designed for higher security of IPTV network.

Key Features

Live stream TV

Customers can enjoy Live TV broadcasting anywhere just with smartphone or tablet where they have internet connection.
